Hi, my name is **Dr. Charles Spear, D.C.** and I am about to reveal to you what I believe is the ULTIMATE, possible solution to your fibromyalgia.

Why would I offer this free report and reveal all this to you ..a complete stranger?

Well, I know just how crippling fibromyalgia can be. I know how fibromyalgia can destroy your family. Destroy your career. Destroy your life. I know how fibromyalgia can put a strangle hold on your life ... squeezing your hopes and dreams right out of you like a giant anaconda.

How do I know how YOU feel?

Well, I help fibromyalgia patients EVERY DAY. You see, a large part of my practice is devoted just to fibromyalgia. Devoted to cases other doctors have had no success with. Devoted to cases other doctors have

given up on. Devoted to cases other doctors have simply turned their backs on and thrown out in the trash. Devoted to cases just like yours.

I spend countless hours every week treating fibromyalgia sufferers just like you and scouring the earth to find the very best and the very latest advances in fibromyalgia.

Here s'what this is all about: Until very recently I was your average doctor and knew very little about fibromyalgia. I had seen quite a few patients with fibromyalgia over the years and honestly, had a "love/hate" relationship with these cases. I could help some fibromyalgia sufferers quite a bit, while many got minimal if any results at all. Most doctors I know have just given up on fibromyalgia completely, throwing their hands in the air telling their patients it s'all in their heads. Well, I kept getting more and more fibromyalgia sufferers asking me if there was ANYTHING I could do to help them. I soon found out that there are..

20 Million Fibromyalgia Sufferers In The United States!

WOW! I began searching everywhere for a solution. Any clue. There had to be something out there that was being overlooked that could help fibromyalgia. Help 20 million people just like you.

Well, after a few years of searching, all I came up with were worthless drugs, diets, supplements, herbs, anti-depressants, psychiatrists, magnets ..I even found someone selling some kind of "mineral enriched sea water." And by now, we all know about that "blue glob." Some of these treatments help other conditions but ...

They Were Worthless For Fibromyalgia!

Are you overwhelmed and frustrated with your fibromyalgia and all the so called "answers" you get from your doctors? Well, I was too.

The bottom line was ..I could not find anyone who was REALLY helping fibromyalgia sufferers. Sure they did a lot of elaborate, expensive tests (Very expensive!). They used a lot of fancy words. But when all was said

and done, what could they do for you? Then they had the nerve to send you an outrageous bill even Donald Trump would have trouble paying!

I was mad as Al Gore after the Florida recount, and fortunately for you ...

I'm The Kinda Guy Who Will Complain To Anyone Who ll Listen!

That's how I found out about an amazing system created by a *former* fibromyalgia/chronic fatigue sufferer practicing in Encinitas, California. The secret to this program's success is that it has a multiple-pronged attack on fibromyalgia, that, to my knowledge, no other doctors have even heard about, much less are doing.

We attack fibromyalgia from every possible angle, giving you the best possible chance to feel like you did **BEFORE** fibromyalgia stole your life.

Knowing this insider secret offers you the possible solution to your fibromyalgia. Almost overnight, you may start relieving aches, pains and chronic fatigue.

The trick, of course ... is finding the right secrets. And the right guide, who will take you by the hand, answer all your questions ... and show you exactly how you can get help, as fast as humanly possible. The right guide, who understands exactly what you are going through and has helped so many just like you already.

There's a lot of nonsense out there. Too many experts who really don't understand what you are going through. Doctors ready to put you on some new trial, toxic drug. Snake oil salesmen ready to profit from your fear. Jokers who don't know what they are doing.

That's why I've put together this program for fibromyalgia sufferers. It's the exact program that so many *former* fibromyalgia sufferers tell me they wish they knew about 10 years ago ... So much unnecessary suffering ... so much wasted time. This program is the secret most fibromyalgia sufferers never discover.

So What Is The Secret?

Here s how this system works:

1. **The Nervous System**: Much of the latest research points to brain stem injury and malfunction as a major cause if not THE cause of fibromyalgia. Our "Complete Fibromyalgia Qualification Evaluation" includes nerve system evaluation. This test is simple and only takes 10 minutes. I m going to show you how you can get one FREE with a specialized Fibromyalgia Qualification Evaluation in a minute.

The Dissection Of A Soul ...

You see, you can loose a leg ..you can loose an arm ..but there is NOTHING like an amputated spirit. That s what fibromyalgia does to you. And the worst part is that it is you are not alone. Fibromyalgia is amputating the spirit of so many people.

Fibromyalgia is a crippling disease ruining the lives of 20 million people. 9 out of 10 are women. What we re here to do is to share this wish you. Share this information that I think will change your life forever.

There s a lot of nonsense out there. A lot of experts praying on your misery. Filling you with false hope. Or even worse, telling you there is NO HOPE. That s why I ve written this report

We will take you by the hand and answer ALL your questions...giving you the best possible way to get better.

I don t care if you ve been to 100 s of other doctors. Or if you ve been to other chiropractors. Or if you ve tried everything under the sun and been disappointed countless times. None of that matters.

The ONLY thing that matters ..is your desire to get on the bus. To start feeling better right away. To finally find the answers you ve been looking for that can change your life. This is a simple program, but you canNOT find it anywhere else and you canNOT figure it out all by yourself. You will NOT find this in a fibromyalgia chat room. There is absolutely no

sane reason why you should go on suffering when the answer may lie right at your finger tips.

Let me be your guide. I know what you're going through. When I started asking other doctors about fibromyalgia they told me, 'Aaaah, they're all just hypochondriacs ..there's nothing wrong with them ..what they need is a good shrink!' 'Well, I know better.

Please take the time to read through the numerous patient testimonials I have included with this report. You will see that many of my patients went to many other doctors and tried many different treatments before they came to me and were finally able to get relief.

I've filled my practice just from word-of-mouth. I'm not sure how many more new patients I can accept. I strictly limit the number of fibromyalgia sufferers on this program so I can give each and every one the individual attention you need to get the best possible results. There is also a qualification process to make sure you are a candidate for the program and have the best chance for success. A thorough examination is needed and of course, there are a lot of factors that will determine your individual response.

So please... if you at all interested in seeing if you qualify for this program, and seeing if this is finally the solution to your fibromyalgia you've been dreaming about ..do it now. As I'll explain in a minute, you don't risk a single penny. Some Laws require disclosure of additional costs here.

How Would You Like To Find Out If You Qualify For This Amazing, New Program ..Absolutely Free?

Here's The Qualification Process...

- ◆ A consultation with me, Dr. Spear, to discuss your problem and answer ALL your questions. You will be taken by the hand and ALL your questions and concerns will be answered before you leave.
- ◆ A complete fibromyalgia qualification case history and questionnaire to help determine if we can help you.

- ◆ A specialized Fibromyalgia Qualification Evaluation.
- ◆ A written *Recommended Action Plan* giving you the results of your examination, tests, if you qualify for our program and what your options are. If at this point our evaluation reveals a condition that is better treated by other means, we will refer you to the appropriate Doctor.

All Completely FREE!!!

**If You Call 520.907.7036 And Schedule Your
Fibromyalgia Qualification Evaluation Before:**

June 17th, 2008

And if you qualify, here s `why you won t risk a single penny...

My Unconditional Guarantee...

**Your Satisfaction Is
Unconditionally Guaranteed ... ”**

And because I know I don t have a magic wand and there are no 100% cures out there, I go one step further. You see, I cannot guarantee results. But I can guarantee your satisfaction. If you qualify for care and are accepted and if after the first 30 days of treatment you are not happy for any reason and I mean ANY REASON, you get ALL of your money back...no questions asked! I dare you to find any other doctor that is willing to match this offer. No one else dares to match this offer because they know it would put them out of business!

You see, I believe in paying for results not just for someone s `time. I know how frustrated I have been when I received horrible advice from attorneys and accountants and still had to pay the bill.

That has happened to me more than once and frankly ...

THAT STINKS!!!

So why would I accept you as a patient if I honestly did not feel I could help you? Why would I waste my time and yours only to have to give you your money back? For that reason, I only accept the most qualified people.

Now, I cannot tell you if you will qualify for my program, but if you do, you have absolutely nothing to lose and possibly everything to gain.

Now Give Me A Minute To Speak Off The Record... ”

You've spent the last half-an-hour or so reading this report. 7 pages to this point. You **MUST** be seriously interested in what we've said and what the Ultimate Fibromyalgia Program can do for you. Finally finding a completely risk-free way to possibly erase many if not all of your fibromyalgia/chronic fatigue symptoms must be exactly what you've spent so many sleepless, painful nights dreaming about. Nevertheless, 9 out of 10 of you who have made it this far, all the way through this report, will chicken out. ”

Why do so many people give up without at least giving it a shot? I think you've been taken advantage of ..played for a sucker more than once. Prayed on by unscrupulous snake oil salesmen who promise you the world and deliver junk. By this time you're more than a little gun shy. I understand. That's why I put my money where my mouth is and offer you the unparalleled, unconditional, satisfaction guarantee. You will NOT be taken for a fool. You will be given ALL the tools you need to get relief from fibromyalgia. - Now the only question left is... are you gonna chicken out?
